

Preparing for the Next Pandemic: Aerospace Medicine Lessons Learned from COVID-19

The International Academy of Aviation and Space Medicine, as part of the 2021 Virtual International Conference in Aerospace Medicine (2021 Virtual ICAM), is offering a webinar titled "Preparing for the Next Pandemic: Aerospace Medicine Lessons Learned from COVID-19."

The 2021 Virtual ICAM is a series of webinars offered throughout 2021 to replace the ICAM Paris that was postponed from September 2021 to September 2022. The theme of the 2021 Virtual ICAM is "Pandemics and Progress in Aerospace Medicine."

The International Academy of Aviation and Space Medicine (IAASM) is leading the 2021 Virtual ICAM in collaboration with the Aerospace Medical Association (AsMA), the European Society of Aerospace Medicine (ESAM), and La Société Francophone de Médecine Aérospatiale (SOFRAMAS).

Details for the 26 May 2021 webinar:

PART 1 - Allard Lecture Time: 11:05 - 12:00 HRS EDT

PART 2 - Ernsting Panel Time: 12:10 - 14:00 HRS EDT

Registration: \$25.00 without CME

Additional Fee for CME: \$25.00

CME: 2.75 AMA PRA Category 1 Credits™

Content

This live stream virtual webinar addresses the management of pandemics in the aviation sector. Whilst the clinical aspects of COVID-19 are important (and have been covered elsewhere) this webinar explores the role of the aviation sector in preparing for a public health event such as the COVID-19 pandemic, and in managing it when it arrives.

Presentations - May 26, 2021

11:00-11:05: Introduction and Welcome - Dr. Jim Vanderploeg, Academy President & Dr. John Crowley, Academy Scientific Committee Chair

11:05 - 12:00: **Allard Lecture - "Aerospace Medicine and COVID-19: The Regulatory Response in the United States" - Dr. Michael A. Berry**

12:00 - 12:10: BREAK

12:10 - 14:00: **Ernsting Panel - "COVID-19: Lessons Learned and Preparation for the Next Pandemic"**

- 12:10 - 12:25: "COVID-19 and the Practice of Aerospace Medicine - Perspectives of a Practicing Flight Surgeon" - Dr. Francisco Rios Tejada
- 12:25 - 12:40: "COVID-19's Effect on Aeromedical Transport - Lessons Learned for the Next Pandemic" - Dr. Jason Cohen
- 12:40 - 12:55: "Aerospace Medicine Research and COVID-19 - Present and Future Contributions" - Dr. Anthony Wagstaff
- 12:55 - 13:10: "Public Health Policy During a Pandemic - Lessons Learned for Aviation Medicine" - Dr. Dana Thomas
- 13:10 - 13:25: "COVID-19's Impact on Civil Aviation Medicine at the National Level - Challenges for the Future" - Dr. Stuart Mitchell
- 13:25 - 13:40: "International Aviation Policy and COVID-19 - Are We Ready for the Next Pandemic?" - Dr. David Powell
- 13:40 - 14:00: Questions from the Audience - Dr. John Crowley

14:00 - Close of the Webinar - Dr. John Crowley

Designation Statement: The Undersea and Hyperbaric Medical Society designates this live activity for a maximum of 2.75 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in this activity.

Registered Nurses, EMTs, Physician Assistants, Psychologists, Social Workers and other allied health professionals may be able to convert these CME units through contact with their state or national board education or licensure office.

Accreditation Statement: This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the Undersea and Hyperbaric Medical Society and the Aerospace Medical Association. The Undersea and Hyperbaric Medical Society is accredited by the ACCME to provide continuing medical education for physicians.

Full Disclosure Statement: All faculty members and planners participating in continuing medical education activities sponsored by the Aerospace Medical Association are expected to disclose to the participants any relevant financial relationships with commercial interests. Full disclosure of faculty and planner relevant financial relationships will be made at the activity.

UHMS Disclaimer: The information provided at this CME activity is for Continuing Medical Education purposes only. The lecture content, statements or opinions expressed however, do not necessarily represent those of the Undersea and Hyperbaric Medical Society (UHMS), its affiliates or its employees.
